**Subject: NETWORKING DAY AT UAF WITH ICI PAKISTAN LTD ON  
SEPTEMBER 29, 2016.**

The Vice Chancellor has been pleased to allow Career Development Center (CDC) for organizing “**Networking Day**” event at UAF on September 29, 2016. This is a unique event that will allow our recent graduates and postgraduates from diverse backgrounds, an opportunity to network with business and community leaders in the hope of developing relationships leading to internships, full-time positions or mentorship.

Representatives from various departments of ICI Pakistan Limited will visit the event and conduct test with our students (graduates / postgraduates). Later on among these individuals, internships and various career opportunities will be offered at ICI Pakistan Ltd. Graduates and Postgraduates from the following departments are to be invited for participating in this event on Thursday, September 29, 2016 at 09.00 am.

- **Agronomy**
- **Entomology**
- **Soil Sciences**
- **Plant Breeding & Genetics**
- **Plant Pathology**
- **Horticulture**
- **Agricultural Extension**

**Note:** ICI Pakistan team would be at UAF on Thursday 29 September at 09.00 am sharp for presentation and test. Please bring your CVs at the time of test.

All interested candidates (B.Sc. / M.Sc. (Hons) last semester / who have completed their degrees in aforementioned disciplines 2016, with CGPA 3.00 and above) should register themselves at CDC office and also send their CVs on the following email id, mentioning their major in subject line.

managercs@uaf.edu.pk.

Prof. Dr. Rashid Ahmad,  
Director, (External Linkages /  
Financial Assistance &  
University Advancement.
