

GUIDELINES- COMPETITIVE GRANT For The PhD SCHOLARS AT UAF

- Ph D scholars (other than HEC awardees and not employed in any project) may apply for full / partial funding ‘under PhD Fellowship at UAF on the prescribed format after completing at least two semesters.
- The project may be submitted in response to ‘**Call for Proposals**’ issued by ORIC.
- The PhD scholar will work as prime researcher and will be responsible to design and submit research project, submit progress, audit reports monitoring and evaluation reports. The financial management will be the responsibility of the Researcher’s Supervisor as per university rules/government policies.
- The projects will be evaluated by a panel of experts at faculty level on the basis of Competitive Grants System (CGS) and only short listed projects will be presented to the Executive Committee for consideration.
- The supervisor will submit six monthly/final technical report of the project within the stipulated period of time while attendance of the scholar on the prescribed format on monthly basis for release of stipend.
- Funding (research support: one time and stipend: maximum for two years) will be provided as per research plan.
- The Project Executive Committee/Internal Monitoring Committee will monitor the activities/progress from time to time. In case of poor performance further release of funds will be blocked and stipend will be discontinued.
- The Directorate of Graduate Studies and Controller of Examinations will not entertain PhD thesis for evaluation unless it carries a certificate of submission of final technical report/clearance of other pendency’s issued by ORIC.
- If the agreement is breached by the scholar, he/she will refund the whole amount utilized (research fund and stipend received).
- Monthly stipend will be released on the production of certificate by the chairman/director concerned with satisfactory performance and work done in the reporting month.
- Research fellow will work as full time researcher under framework of the University.

PROJECT PROPOSAL

1. **Project Title:** _____

2. **Ph.D. Scholar:**

Name: _____

Registration No: _____

Date of Enrolment _____ No. of Semesters Completed: _____

Department/Institute: _____ CGPA: _____

Telephone/Cell No: _____ E-mail: _____

3. **Supervisor:**

Name: _____

Designation: _____

Department/Institute: _____

Number of on-going Res. Projects: _____

Number of Ph.D. Scholars being supervised: _____

Telephone/Cell No: _____ E-mail: _____

4. **Total Cost (Rs.):** _____ **Duration (months):** _____

5. **Project Format:**

A. Project Title _____

E. Hypothesis _____

B. Need for the project _____

F. Methodology/Milestone Matrix _____

C. Objectives _____

G. Relevance to the society _____

D. Research Question(s) _____

H. Expected Outcome _____

I. Budget Detail

Budget:

Sr. #	OBJECT	TOTAL (Rs.)
1	Consumables (attach list)	
2	Others (not more than 10%)	
3	Stipend @ Rs. 10,000/- p.m. (maximum for two years)	
	Total	

Certification:

It is certified that the proposed work is part of the thesis studies and will be executed as per agreement with ORIC.
