Invitation to MID – TERM Conference on

Water Footprints of the Cotton-Textile Value Chain: Environmental Repercussions from Field to Hanger

Dear Sir/Madam

It is matter of profound pleasure to share that the Faculty of Agricultural Engineering & Technology at University of Agriculture Faisalabad is organizing and International **MID-TERM Conference on “Water Footprints of the Cotton-Textile Value Chain: Environmental Repercussions from Field to Hanger”** from **Jan 29 to Feb 02, 2019**.

This conference is basically a part of the ongoing research project “Innovative Impulses Reducing the Water Footprint of the Global Cotton-Textile Industry towards the UN-Sustainable Development Goals (*InoCottonGROW*)”. Whereas the Faculty of Agricultural Engineering & Technology, UAF, Pakistan, in collaboration with InoCottonGROW project partners, led by Research Institute for Water & Wastewater Management at RWTH Aachen (FiW), Germany are the major contributors to this conference and workshops.

This conference encompasses sessions for technical presentations followed by PEC endorsed CPD Training workshops with CPD credit point equal to “ONE” for each, covering a wide range of topics related to wastewater treatment design, water quality monitoring and surface and groundwater modeling. The Registration Fee for each CPD workshop is Rs. 500/- per participant.

All the engineers and scientists are encouraged to participate in this conference by attending it as well as submitting abstract/papers as scheduled below.

✓ Submission of Abstract (250-300 words):	31 DEC 2018
✓ Approval notification:	06 JAN 2019
✓ Compilation & Publication of proceedings:	15 JAN 2019

Email address for abstract submission: uaf.see@gmail.com | haroon.rashid@uaf.edu.pk

We look forward to welcome you at the conference through your active participation (in the conference programs. It can make the conference a great success for all the stakeholders in order to meet the UN – SDG. For further information about Conference and CPD Training Workshops please feel free to email at uaf.see@gmail.com | haroon.rashid@uaf.edu.pk or call at +92-41-9200161; Ext, 3006 | +92-41-9200194 and mobile no. 0333-1646037. We would appreciate receiving acknowledgement for this invitation.

With best regards

Dr. Abdul Nasir
Conference Coordinator

Prof. Dr. Allah Bakhsh
Conference Chair / Dean

Dr. Frank-Andreas Weber
Conference Chair/Project Leader
