

FRENCH LANGUAGE COURSE

French, being the UN language, has considerable importance globally. The students and professionals from different disciplines can find number of scholarships and job offers in Francophone countries. Keeping in view the importance and increasing demand of French language from students and community University of Agriculture Faisalabad signed an MoU with French Embassy, Islamabad for establishing French Culture Center (FCC) at main campus. At present, FCC is going to start 5th batch of French Language Course from Wednesday, January 25, 2017 in Main library UAF.
