**Subject: NETWORKING DAY AT UAF WITH JAFFER BROTHERS (PVT) LTD ON THURSDAY, SEPTEMBER 27, 2018.**

The Vice Chancellor has been pleased to allow Career Development Center (CDC) for organizing “**Networking Day**” event at UAF on September 27, 2018. This is a unique event that will allow our alumni and recent graduates, post-graduates from diverse backgrounds, an opportunity to network with business and community leaders in the hope of developing relationships leading to internships, full-time positions or mentorship.

Representatives from Jaffer Brothers Pvt Ltd will visit the event and conduct test with our graduates and post-graduates. Later on among these individuals, internships and various career opportunities will be offered at Jaffer Brothers Ltd. Graduates and Post-graduates from the following departments are to be invited to participate in this event on Thursday, September 27, 2018 at 09.30 am.

- **Agronomy**
- **Entomology**
- **Soil Sciences**
- **Horticulture**
- **Plant Breeding & Genetics**
- **Agricultural Engineering**

**Note:** Company representatives would be at UAF on Thursday, September 27, 2018 at 09:30 am sharp for presentation and test. Please bring your CVs at the time of test.

All interested candidates B.Sc. / M.Sc. (Hons) Agriculture who have completed their degrees in aforementioned disciplines, in 2017-18, with CGPA 3.00 and above, should send their CVs on the following email id, mentioning their major in subject line.

managers@uaf.edu.pk.
