Subject: NETWORKING DAY AT UAF WITH ENGRO FERTILIZERS ON
APRI 23-24, 2018.

The Career Development Center (CDC), DFA&UA, has organized “**Networking Day**” event at UAF on Tuesday, April 24, 2018. This unique event will allow our recent graduates and postgraduates (Agriculture) from diverse backgrounds, an opportunity to network with business and community leaders in the hope of developing relationships leading to internships, full-time positions or mentorship.

Representatives from various departments of Engro will visit the event and conduct an online test with our students (graduates/ postgraduates). Later on among these individuals, internships and various career opportunities will be offered at Engro Ltd. Graduates and postgraduates from the following departments / disciplines are to be invited for participating in this event on Tuesday, April 24, 2018 at 10:00 am.

- **Agronomy**
- **Entomology**
- **Soil Sciences**
- **Plant Pathology**
- **Horticulture**

Important Note: Engro team would be at UAF on Tuesday, April 24, 2018 at 10:00 am sharp for presentation and test.

Please bring your CVs at the time of test.

All interested candidates (B.Sc. / M.Sc. (Hons) Agriculture, last semester with **CGPA 3.3 and above** should register themselves at CDC office and also send their CVs on the following email id, mentioning their major in subject line.

managercs@uaf.edu.pk.
