**Subject: NETWORKING DAY AT UAF WITH ENGRO FERTILIZERS ON JUNE 22, 2019.**

The Career Development Center (CDC), DFA&UA, has organized “**Networking Day**” event at UAF on Saturday, June 22, 2019. This unique event will allow our recent graduates and postgraduates (Agriculture) from diverse backgrounds, an opportunity to network with business and community leaders in the hope of developing relationships leading to internships, full-time positions or mentorship.

Representatives from various departments of Engro will visit the event and conduct an online test with our students (graduates/ postgraduates). Later on among these individuals, internships and various career opportunities will be offered at Engro Ltd. Graduates and postgraduates from the following departments / disciplines are to be invited for participating in this event on Saturday, June 22, 2019 at 09:30 am.

- **Agronomy**
- **Soil Sciences**

**Important Note:** Engro team will be at UAF on June 22, 2019 at 10:00 am sharp for presentation and test.

Please bring your CVs at the time of test.

All interested candidates (B.Sc. / M.Sc. (Hons) Agriculture, final semester with **CGPA 3.3 and above**) should register them at CDC office and also send their CVs on the following email id, mentioning their major in subject line.
