FARM FRESH

Life's most persistent and urgent question is
what are you EATING?

First time in the history of the University of Agriculture, Faisalabad and JK Agriculture Farms (Pvt) Ltd are collaborating to produce quality baked products by using natural ingredients and fortificants. The Multigrain Bread is a classic example of this joint venture. The Bakery products are made under the supervision of technical experts of National Institute of Food Science and Technology (NIFSAT), UAF.

FARM FRESH Bread is a staple part of healthy eating pattern

As it is low in fat and one of the best sources of fibre
