

SITUATION VACANT

1. Applications are invited for the recruitment of one post of M.Sc. Hons. Soil Science/Environmental Science student in HEC-funded project entitled “Iron and zinc biofortification in wheat under salt affected conditions” at a consolidated pay of Rs. 20,000/- pm. The prescribed qualification should be M.Sc. Hons. Soil Science/Environmental Science students especially in salinity and plant nutrition/saline agriculture with minimum CGPA 3.00/4.00. Applications along with all documents should reach the office of Dr. Tayyaba Naz, Lecturer Institute of Soil and Environmental Sciences (Lab D1147-48) within 7 days after the publication of this notice. Application forms can be obtained from office of the Registrar (Personnel Section) UAF during office hours or from UAF website i.e. www.uaf.edu.pk.
2. Applications are invited for one post of Research Assistant @ Rs. 25,000/- pm in the NRPU, HEC funded entitled “Experimental and theoretical investigation of ferroelectricity in perovskite based hetrostructures or superlattices”. The required qualification of this position will be as under: PhD student doing dissertation in perovskite based hetrostructures or superlattices. Last date for receipt of application within 7 days after the publication of this notice in the office of PI Dr. Muhammad Yaseen, Assistant Professor, Department of Physics, UAF.
3. Applications are invited for one post of Research Fellow with the qualification of minimum 16 years education in Textiles @ Rs. 25,000/- pm in the project entitled “Development of Artificial Intelligence based Prediction System for Shade Change after Finishing Application” sponsored by HEC under Technology Development Fund for Universities. Applications along with relevant documents should reach in the office of the PI, Dr. Assad Farooq, Department of Fibre & Textile Technology, UAF within 7 days after the publication of this notice.
4. Applications are invited from candidates pursuing PhD (Pharmacology) for one post of Research Assistant (PhD Student) @ 25,000/- pm (fixed) under HEC funded project entitled “Beyond Pancreas: Investigation of Novel Targets and Treatment for Nicotine-Induced Diabetes Mellitus”. The applications alongwith complete biodata and attested copies of documents should reach in the office of Dr. Kanwal Rehman, Assistant Professor/PI, Institute of Pharmacy, Physiology and Pharmacology, UAF within 10 days after the publication of this notice.

PLACEMENT OF PhD THESIS FOR PEER REVIEW

1. Ms. Madiha Fayyaz, Regd. No. 2012-ag-1098, PhD student of Centre of Agricultural Biochemistry and Biotechnology (CABB) has placed her thesis entitled “Engineering chloroplasts to accumulate antigenic protein(s) to immunize poultry birds against infections bursal disease”. For peer review in Diretor Office, CABB from 30-01-2018, for one week. Respected faculty members and the students are invited to peruse the thesis for suggestions and improvement.
2. Thesis of Mr. Rehman Hafeez, Regd. No. 2005-ag-1110, a PhD scholar from Department of Parasitology, Faculty of Veterinary Science will be placed in the office of the Chairman for peer review from 30-01-2018 for one week. The title of his thesis is “Role of Nematophagus fungi in the control of gastrointestinal nematodes of small ruminants”. The faculty and students are invited to peruse the thesis for any correction and improvement.
3. Mr. Muhammad Usman, Regd. No. 2009-ag-3360, student of PhD (Anatomy) at Department of Anatomy, UAF, has successfully defended his PhD synopsis entitled

as “Female Genital system of one humped camel in relation to thermoregulation” on 04-01-2018. The committee has suggested some minor changes in the research plan.

4. Ms. Zaima Umar, Regd. No. 2007-ag-1535, student of PhD (Anatomy) at Department of Anatomy, UAF, has successfully defended his PhD synopsis entitled as Histomorphometrical studies on the digestive tract, associated glands and serum biochemistry in ostrich (*Struthio camelus*) with progressing age and sex in Pakistan” on 04-01-2018. The committee has suggested some minor changes in the research plan. As per suggestion given by the teachers/students a minor change has been made in the title as “Studies on the histomorphometry of the digestive tract and associated digestive glands and hematobiochemistry in ostrich (*Struthio camelus*) with gender and progressing age in Pakistan”.
5. Thesis of Mr. Muhammad Imran, Regd. No. 2007-ag-1646, a PhD scholar from Department of Parasitology, Faculty of Veterinary Science will be placed in the office of the Chairman for peer review from 31-01-2018 for one week. The title of his thesis is “Comparative Susceptibility of Dera Din Pannah and Nachi Goat Breeds of District Muzaffargarh, Pakistan to Gastrointestinal Parasites with Special Reference to *Haemonchus contortus*”. The Faculty and students are invited to peruse the thesis for any correction and improvement.
6. PhD thesis of Miss. Hina Sattar, Regd. No. 2008-ag-1779 a student of the Institute of Soil and Environmental Sciences, UAF will be placed in Director’s office w.e.f. 01-02-2018 to 07-02-2018. The title of her thesis is “Effect of organic and inorganic amendments in reducing bioavailability of heavy metals from textile industry effluent”. All academic staff/students are welcomed to read/consult and give suggestions so that thesis will be improved according with incorporation of these suggestions.
7. PhD thesis of Miss. Munaza Naseem, Regd. No. 2012-ag-610, a student of the Institute of Soil and Environmental Sciences, UAF will be placed in Director’s office w.e.f. 01-02-2018 to 07-02-2018. The title of her thesis is “Potential of Maize (*Zea mays* L.) for phytoremediation of Selenium”. All academic staff/students are welcomed to read/consult and give suggestions so that thesis will be improved according with incorporation of these suggestions.

PhD THESIS/SYNOPSIS DEFENSE

1. Mr. Muhammad Usman bearing Regd. No. 2014-ag-717, a PhD student of the Department of Entomology, UAF has successfully defended his PhD synopsis on 28-12-2017. The title of his synopsis was “Biocontrol potential of insect pathogens for sustainable management of fruit flies”.
2. Ms. Sehrish Gulzar bearing Regd. No. 2010-ag-2569, a PhD student of the Department of Entomology, UAF has successfully defended her PhD synopsis on 28-12-2017. The title of her synopsis was “Prospects for microbial control agents against onion thrips”.
3. Mr. Safder Abbas, Regd. No. 2008-ag-1764, a PhD student in the Institute of Agri. Extension & Rural Development has successfully defended his synopsis entitled “Analysis of pluralistic Agricultural Advisory Services in the Punjab, Pakistan” on 04-01-2018. However, the committee suggested some minor changes in synopsis title. Therefore, the suggested title may be kindly approved as “A Critical Analysis of Public and Private Agricultural Advisory Services in the Punjab, Pakistan”.

4. Mr. Muhammad Naeem Mushtaq, Regd. No. 2008-ag-1921, a PhD student of the Department of Entomology, has successfully defended his PhD synopsis on 09-01-2018. He successfully defended his synopsis with minor changes in title as "Studies on seasonal diversity and alternate host plants of pink bollworm".

38TH ALL PAKISTAN SCIENCE CONFERENCE

38th All Pakistan Science Conference is scheduled to be held under the auspices of the Pakistan Association for the Advancement of Science on 8th to 10th April, 2018 at University of Veterinary and Animal Sciences Lahore. A large number of eminent Scientists from all over the country are expected to participate in the deliberation of the conference. The main theme of the Conference is "Energy Crisis and their Solutions in Pakistan". The areas of discussion will also include:- (i) Animal Sciences (ii) Plant Sciences (iii) Chemical Sciences (iv) Medical and Veterinary Sciences (v) Mathematics and Engineering Sciences (vi) General Sciences including Natural Sciences. The last date for submission of registration will be 12th March 2018. The research articles/abstracts from Scientists are also invited which should reach by 15th of the February, 2018, and last date of acceptance of abstracts will be 28th of the February, 2018 so that these could be published in the proceeding of the conference. The acceptance will be given to all candidates who submit their abstracts within dead line. The Pakistan Association for the Advancement of Science is not in a position to pay any TA/DA to the participants. The very honorable President of Islamic Republic of Pakistan Mr. Mamnoon Hussain is expected to inaugurate this conference on 08-04-2018 at 9:00 am.

QUOTATIONS

Sealed quotations are invited for the purchase of Hybrid Corn Seed-TG4557 (10 bags) for 10 acres at PARS Farm, UAF. The quotations should reach in office of the Director Farms within 3 days after the publication of this notice along with 2% earnest money in the form of bank draft or call deposit.

PENALTY IMPOSED

In exercise of the powers under Regulation 17a (1) & 4(i) of the UAF Students (Discipline & Conduct) Regulations, 1978 and on the recommendations of Campus Advisory Committee, DSA hereby impose the penalties on having been found guilty of indiscipline and misconduct at the Campus upon (i) Mr. Faiz Ahmad Regd. No. 2014-ag-3068, B.Sc. Hons. Agri. Sciences 3rd Semester (ii) Miss Saira Batool, Regd. No. 2015-ag-5360, B.Sc. Hons. Agri. Sciences 1st Semester, fined Rs. 1000/- only and warned to be careful in future, respectively. The fine must be deposited in Account No. 11-9, National Bank of Pakistan, UAF Branch within ten (10) days of the issuance of this notification.
