

NOTICE FOR STUDENTS

Load shedding in the country has not only paralyzed the economy but also badly affected the teaching and research activities in the Institutes especially in the higher seats of learning like UAF. Resultantly, teaching and research both are suffering. The University administration after having talks/discussions with authorities in FESCO has modified the schedule of load shedding which is according to students demand and has already been notified. Unfortunately, electricity production and consumption are not matching and the gap is widening day by day. This is also due to the onset of summer, when the consumption of electricity is increased by many fold. It is to be assured that the University administration is always in touch with FESCO and will be doing everything possible for the betterment of the students. It is also to be informed that Main Library and Central Mosque will remain open for the students till midnight during midterm examinations. This has been done to facilitate you and hope this shall help concentrate in your studies. DSA office would always welcome your suggestions to make the system even better. The present load shedding schedule is as under: - 06:00 to 07:00 am, 09:00 to 10:00 am, 01:00 to 02:00 pm, 06:00 to 07:00 pm and 10:00 to 11:00 pm.
