

SITUATION VACANT

1. Applications (on plain paper along with attested copies of academic certificates/degrees, passport size photo, CNIC and experience certificate) are invited for the engagement of faculty on contract and per-lecture basis in the Department of Computer Science, Faculty of Sciences, UAF. Potential candidates having MS/MSc Computer Science Degree within minimum CGPA 3.0 should apply. Applications should reach in the office of the Chairman, Department of Computer Science within one week after the publication of this notice. Application received after due date or incomplete will not be entertained.
2. Applications are invited from Pakistani Nationals who are not married to a foreign national, on the prescribed form obtainable free of cost on any working day during office hours from the office of Registrar (Personal Section) for the post of one Research Associate in project entitled "Establishment of Functional and Nutraceutical Food Research Section at the National Institute of Food Science and Technology, University of Agriculture, Faisalabad, Pakistan" being run by Principal Investigator Prof. Dr. Masood Sadiq Butt in the National Institute of Food Science and Technology. The appointment is on contract basis for the consolidated pay as per HEC policy with the following qualifications. PhD student or MSc. (Hons) leading to PhD student (Food Technology) with minimum CGPA 3.00. The candidates are required to possess at least two first divisions and no third division in their academic carrier. Only one copy of the application is required with attested copies of certificates, testimonials, detailed marks certificates and transcripts. The university reserves the right not to fill the vacancy without assigning any reason. Incomplete applications or those received after the due date will not be entertained. The applications should reach the office of Principal Investigator within 7 days after the publication of this notice.
3. One position of Research Fellow @ Rs. 13,000/- per month is available in the HEC funded research project entitled "Faculty exchange and joint research on the microbial treatment of textile effluents contaminated with azo dyes" being run by Prof. Dr. Muhammad Arshad (T.I.) Institute of Soil & Environmental Sciences, UAF. The requisite qualification for this position will be M.Sc. (Hons)/Agriculture in Soil Sciences, currently enrolled PhD Scholar in ISES, UAF with experience in soil microbiology. Applications along with relevant documents should reach in the office of the PI, Prof. Dr. Muhammad Arshad (T.I.), Institute of Soil & Environmental Sciences, UAF, in office hours within 6 days after the publication of this notice.
4. Applications are invited on printed proforma with attested copies of all testimonials and CNIC for posts of one Research Associate @ Rs. 25,000/- per month plus Rs. 5,000/- annual increment as per HEC Policy. The candidates must have MS/Mphil Degree and one year experience, in a project funded by HEC entitled "Influence of Crop Allelopathy on the Microbial Diversity of Rhizosphere" run by Dr. Zubair Aslam, Assistant Professor (TTS), Department of Agronomy, UAF. The students already receiving any scholarship or stipend are not eligible. The applications should reach in the office of Dr. Zubair Aslam, Assistant Professor/PI, Department of Agronomy, UAF within 7 days after the publication of this notice. Incomplete applications or received after due date will not be entertained.
5. Applications (on plain page) are invited from Pakistani nationals who are not married to a foreign national to fill the post of Research Assistant at a consolidated pay of Rs. 20,000/- pm on contract basis in the Project No. 221 titled "Assessing Climatic Vulnerability and Projecting Crop Productivity using Integrated Crop and Economic Modeling Techniques" funded by Agricultural Model Inter-comparison and Improvement Project (AgMIP), USA. The applicant must possess M.Sc. (Rural Sociology) as major subject with minimum CGPA 3.50. He/She is required to be well aware with the applications of TOA-MD/Excel/SPSS, developing questionnaires for crop management data, data collection from the field, data coding, data cleaning and data analysis. Candidates who have experience of working in International projects will be preferred. Only one copy of the application is required with attested copies of certificates, testimonials, detailed marks certificates and transcripts. The university reserves the right not to fill the vacancy without assigning any reason. Incomplete applications or those received after the due date will not be entertained. The applications should reach the office of Prof. Dr. Ashfaq Ahmad, Lead PI, AgMIP, Agro-Climatology Lab., Department of Agronomy, UAF within 7 days after the publication of this notice.

FAP AND UAF TO ORGANIZE JOINT FARMER CAPACITY BUILDING INITIATIVES

The UAF is committed to sharing the knowledge and disseminating the latest farming technologies through its outreach program, as one of its core values, for benefit of the farmers. Keeping in view its mission, the UAF and Farmers Associates Pakistan are jointly organizing a farmer capacity building initiative, joint seminar/farmer day on September 16, 2013 at Okara Art Council Hall from 10:00 am to 3.30 pm. The UAF resource persons will present their findings on water, balanced use of fertilizer and farm mechanization. The worthy Vice Chancellor has desired that all the Deans/Directors to nominate representative from each Department for their active participation as well as for answering questions of the farmers relevant to their expertise. An air condition bus will leave at 7:00 am on September 16, 2013 from Admin. Block, UAF.

TWELVE MORE PhD SCHOLARS PRODUCED BY UAF

On the recommendations of the external examiners and after fulfilling all the requirements, Neelam Sultan D/o Sultan Akbar, Reg. No. 97-ag-1492, Department of Chemistry and Biochemistry, Muhammad Abdullah S/o Chaudhary Walayat Ali, Reg. No. 2001-ag-2617, Department of Forestry, Range Management and Wildlife, Khalid Zafar S/o Siraj Din Zafar, Reg. No. 88-ag-1380, Department of Agricultural Entomology, Tariq Hussain S/o Riasat Ali, Reg. No. 2000-ag-737, Department of Physiology and Pharmacology, Ch. Muhammad Shahid Hanif S/o Muhammad Hanif, Reg. No. 2001-ag-992, Department of Agricultural Entomology, Faiza Nazir D/o Nazir Ahmad, Reg. No. 2005-ag-54, Department of Chemistry and Biochemistry, Muhammad Shafique Khalid S/o Atta Muhammad, Reg. No. 2001-ag-753, Institute of Horticultural Sciences, Samina Khalid D/o Muhammad Khalid Khan, Reg. No. 2007-ag-9, Institute of Horticultural Sciences, Haseeb ur Rehman S/o Allah Ditta, Reg. No. 2003-ag-1955, Department of Agronomy, Muhammad Yasin S/o Muhammad Yusaf, Reg. No. 2003-ag-1660, National Institute of Food Science and Technology, Adeela Yasmin D/o Abdur Rauf, Reg. No. 2003-ag-1679, National Institute of Food Science and Technology and Muhammad Nadeem S/o Muhammad Sharif, Reg. No. 2003-ag-1611, National Institute of Food Science and Technology have passed the final examination for the degree of Doctor of Philosophy (2013). The Vice Chancellor is pleased to sanction their admission to the degree of Doctor of Philosophy. The titles of their PhD research were "Molecular genetics for autosomal recessive retinitis pigmentosa in consanguineous Pakistani families" "Assessment of productive potential of browse species and their management strategy in the degrading rangelands of Cholistan desert" "Sustainable management of *Helicoverpa armigera* (Hubner) (Lepidoptera:Noctuidae) on sunflower, *Helianthus annuus* L.)" "Disposition kinetics, renal clearance and urinary excretion of enrofloxacin following single intramuscular administration in domestic ruminant species", "Response of three stored grains insect pests to different combinations of phosphine and essential oils of different plants", "Screening of selected medicinal plants for anticancer potential", "Kinnow mandarin (*Citrus reticulata* blanco) fruit quality in major production districts and strategies for cosmetic improvement", "Fruit quality and storability of Kinnow mandarin (*Citrus reticulata* Blanco) in relation to tree age", "Agro-management practices for boosting yield and quality of hybrid maize (*Zea mays* L.)", "Nutritional and biochemical evaluation of vitamin K enriched dietary sources", "Dietary supplementation of prebiotics in whey based functional drink" and "Biochemical and Immunochemical characteristics of wheat gluten". Now the number of UAF PhD club has been raised up to 1067.

2nd BATCH NTS ENTRY TEST FOR ADMISSION TO DVM PROGRAM 2013-14

The 2nd batch customized NTS entry test for admission to Doctor of Veterinary Medicine (DVM), will be held as per following schedule:- (i) Registration with NTS upto 16-09-2013 (ii) Test to be held at 9.00 am in the premises of Faculty of Veterinary Science on 28-09-2013. The candidates appeared in the test on 16-08-2013 but could not qualify/desirous to improve their marks may also re-appear in the test. However, high marks of a candidate secured in both the tests will be considered for admission. PLACEMENT OF PhD THESIS FOR PEER REVIEW

PhD thesis of Miss Rabia Naz, Regd. No. 2003-ag-1814, will be placed w.e.f. 13-09-2013 to 19-09-2013 in the office of Director General, National Institute of Food Science & Technology for one week prior to its submission for foreign evaluation. The faculty and students are invited to pursue the thesis for any suggestions/corrections.

PHD THESIS/SYNOPSIS DEFENCE

1. Mr. Muhammad Abdul Qayyum, Regd. No. 2001-ag-2572, PhD student of the Institute of Soil and Environmental Sciences has successfully defended his thesis in a seminar at the University level on 06-09-2013. The title of his thesis is "Investigating Physiological and Biochemical Indicators of Salt tolerance in linseed (*Linum usitatissimum* L.)".
2. Mr. Munawar Shahzad, Regd. No. 2001-ag-1060, PhD student of the Department of Plant Breeding and Genetics has successfully defended his PhD thesis on 06-09-2013. The title of his PhD thesis is "Association mapping of seed traits in wheat (*Triticum aestivum* L.)".
3. Miss Huma Munir, Regd. No. 2005-ag-187, PhD Chemistry student of the Department of Chemistry & Biochemistry has successfully defended her thesis entitled "Antioxidant and Antimicrobial Activities of Selected Plants of Pothohar Plateau" as required under the rules on 03-09-2013.
4. Mr. Muhammad Atiq-ur-Rehman, Regd. No. 2002-ag-1636, PhD student of the Institute of Soil and Environmental Sciences has successfully defended his thesis in a seminar at the University level on 04-09-2013. The title of his thesis is "Relationship between root-mediated changes and salt tolerance in wheat (*Triticum aestivum* L.)".
5. Mr. Majid Hussain, Regd. No. 2001-ag-1053 a PhD student of the National Institute of Food Science & Technology has successfully defended his PhD thesis at University level on 07-09-2013. The title of his thesis is "Carbohydrate based prebiotic effects on quality attributes of yogurt and its probiotic endurance".

QUOTATIONS

1. Bid No. 137/13. Sealed bids are invited from the registered firms of the UAF for purchase of exhaust (blower) fans, desert coolers and related accessories, etc. at University of Agriculture, Faisalabad. The details and other pre-requisites can be had from the Directorate of Procurement & Inventory Control (DPIC) during closing hours. The bids should reach in the Directorate within 5 days from the date of publication. The bid money @ 2% of the quoted value must accompany the bid in favour of Stores Officer, UAF.
2. Bid No. 138/13. Sealed bids are invited from the registered firms of the UAF for purchase of Glazed Pots under project titled "Phosphorus and potassium adsorption and desorption behavior of some rice soils of Pakistan----for rice crop" for the Institute of Soil & Environmental Sciences, UAF. The details and other pre-requisites can be had from the Directorate of Procurement & Inventory Control (DPIC) during closing hours. The bids should reach in the Directorate within 5 days from the date of publication. The bid money @ 2% of the quoted value must accompany the bid in favour of Stores Officer, UAF.
3. Bid No. 139/13. Sealed bids are invited from the registered firms of the UAF for purchase of Chemicals under project titled "Development of novel rhizobial inoculants for inducing drought tolerance in cereals" for the Institute of Soil & Environmental Sciences, UAF. The details and other pre-requisites can be had from the Directorate of Procurement & Inventory Control (DPIC) during closing hours. The bids should reach in the Directorate within 5 days from the date of publication. The bid money @ 2% of the quoted value must accompany the bid in favour of Stores Officer, UAF.
4. Different items are required for University Cooperative Society. The detail of items can be seen in the office of the Secretary, University Cooperative Society. The sealed quotations should reach in the office of secretary within three days after the publication of this notice in the Campus News.
5. A Sewerage work in front of Zainab Hall is required. Detail of work can be seen in the office of the Secretary, University Cooperative Society. Interested parties should submit their quotation for work in the office of secretary within three days after the publication of this notice in the Campus News.
