Academic Appointment Letter
(To be prepared by the Department/Research Unit)

The __________ [academic unit] recommends __________ [Postdoc] as a Postdoctoral Scholar who intends to work with __________ [Host Scientist] for appointment as a Postdoctoral Fellow in this Department. This is a specific full-time status established by the UAF. Postdocs are not considered employees of the University regardless where they work how they are paid. Their rights and responsibilities as Postdocs are established under the Postdoctoral Rules and Regulations of UAF. This includes University policies regarding leave, absence, vacation time and holidays.
